

Testing Position to check knowledge of pawn endings

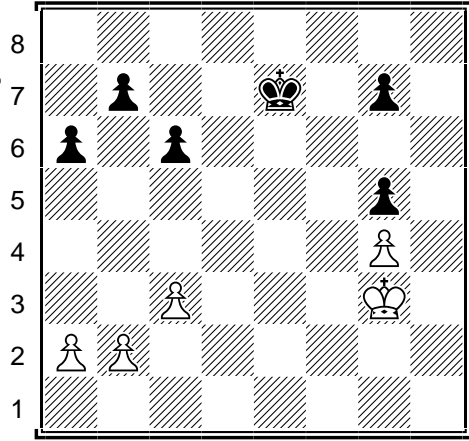

You can check how good you are - try to predict a score for all the positions. If you succeed, than try to guess what is the score when there is opposite's turn to move. Good luck and let your chess enjoy and give you much pleasure!

Diag.1

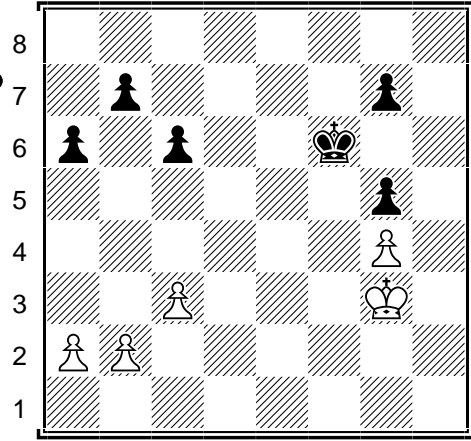

Position after 37... fxc3 (main position).
White to move

Diag.2

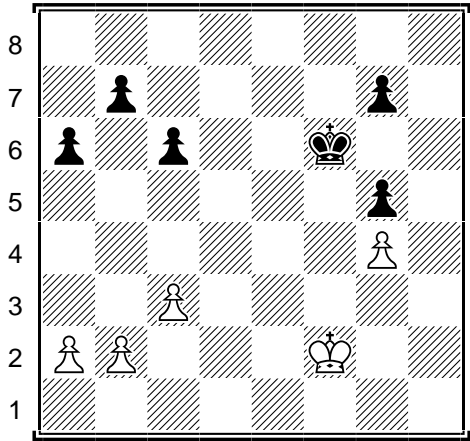

38. Kxg3

Diag.3

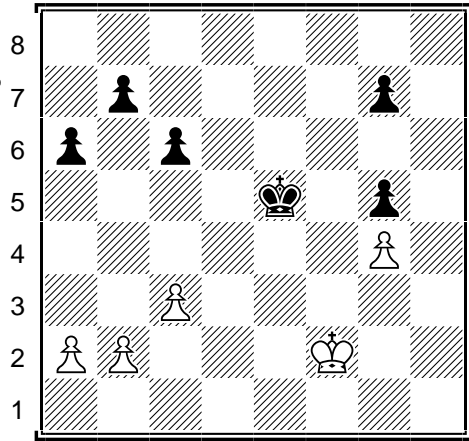

38... Kf6

Diag.4

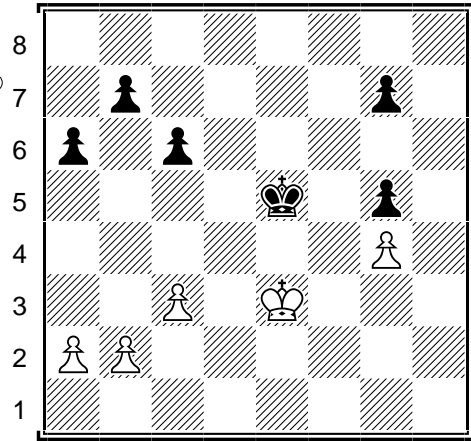

39. Kf2

Diag.5

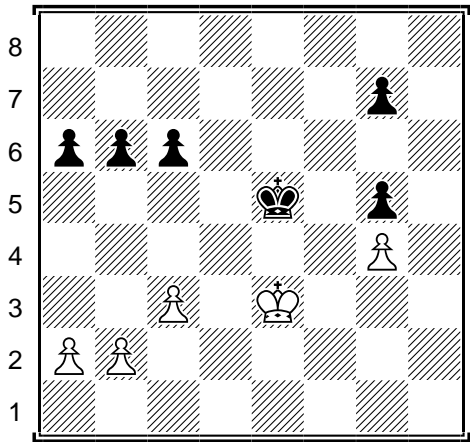

39... Ke5

Diag.6

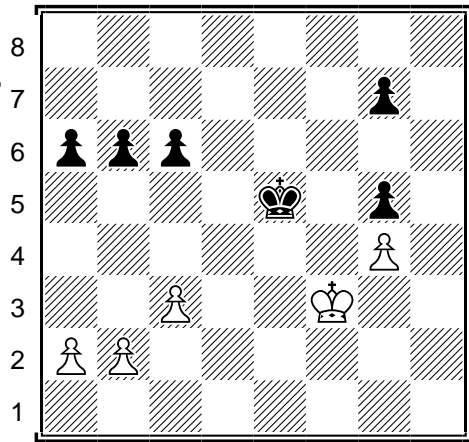

40. Ke3

Diag.7

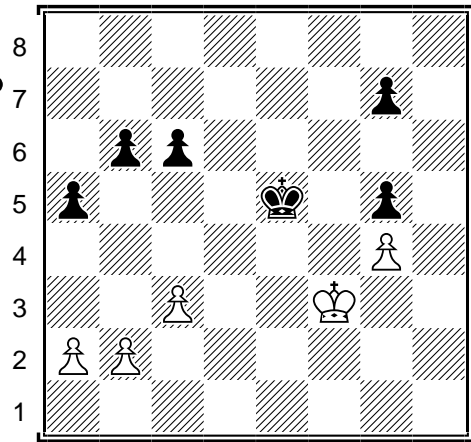

40... b6

Diag.8

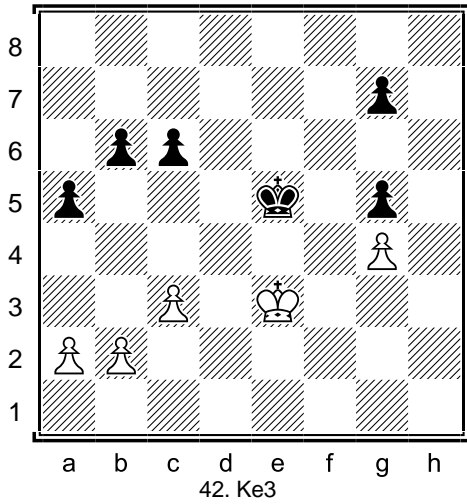

41. Kf3

Diag.9

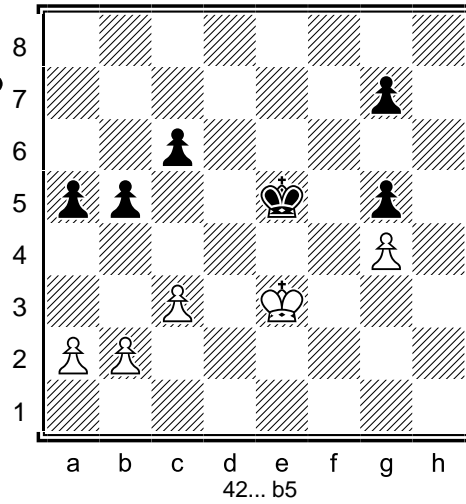

41... a5
